

Proudly serving Michigan, Indiana & Ohio

ABB Industrial Solutions

Distribution

- Low & Medium Voltage Switchgear
- Load Interrupter Switches
- Switchboards
- Motor Control Centers
- Power Distribution Panelboards
- Lighting Panels
- Busway & Plugs
- Transformers
- Safety Switches
- Circuit Breakers

Controls

- IEC/NEMA Starters
- IEC/NEMA Relays
- IEC/NEMA Contactors
- IEC/NEMA Push Buttons
- IEC/NEMA Pilot Devices
- Variable Frequency Drives
- Soft Starters
- Lighting Contactors

Critical Power

- Automatic Transfer Switches
- Critical Power Distribution
- DC Power Systems
- Embedded Power
- Static Transfer Switches
- Surge Protective Devices
- Paralleling Switchgear
- Data Center Solutions
- Uninterruptible Power Supplies

Energy Services

- Arch Flash Hazard Analysis
- Power System Studies
- PLC & SCADA Upgrades
- Equipment Repair Service:
 - Breakers
 - Transformers
 - Motors
 - Relays
 - Drives/Controls

ABB Power Grids

Transformers

- Padmount
- Substations
- Power Transformers
- Polemount
- Submersible
- Autotransformers
- Generator Step-Up
- Collector Step-Up

Capacitors and Reactors

- 1kVar to 500MVAR
- 240V to 500kV

Industrial Turnkey Substations

- Up to 69kV Greenfield Substations
- Up to 69kV Substation Upgrades

GE Grid Solutions

Protection and Control

- Generator Protection
- Transmission Protection
- Network Stability & Control
- Bus, Transformer & Feeder Protection
- Measuring & Recording
- Motor Protection
- Specialized Protection
- Metering
- Software
- Single Function, Aux Relays & Accessories
- Electromechanical Relays

Monitoring & Diagnostics

- Transformer Predictive Maintenance
- Dissolved Gas Analysis:
 - Single
 - Multi-gas
 - Portable

MegAlert

- Online Insulation Testers:
 - Motors
 - Generators
 - Cables
